

(b) Each wool product with a neck must have the label affixed to the inside center of the neck midway between the shoulder seams *provided*, however, that the required label may appear in close proximity to another label affixed to the inside center of the neck as long as the required label remains conspicuous to the consumer and, *provided further*, that if the country of origin is disclosed on a label affixed to the inside center of the neck or in close proximity, the label containing the country of origin, fiber content and RN or name of the company may appear in another conspicuous location on the inside or on the outside of the garment. All other wool products shall have the label affixed to a conspicuous spot on the inner side of the product or in a conspicuous place on the outside of the product.

(c) In the case of hosiery products, this section does not require affixing a label to each hosiery product contained in a package if, (1) such hosiery products are intended for sale to the ultimate consumer in such package, (2) such package has affixed to it a label bearing the required information for the hosiery products contained in the package, and (3) the information on the label affixed to the package is equally applicable to each wool product contained therein.

[50 FR 15105, Apr. 17, 1985]

**§ 300.6 Labels to be avoided.**

Stamps, tags, labels, or other marks of identification, which are insecurely attached, or which in the course of offering the product for sale, selling, reselling, transporting, marketing, or handling incident thereto are likely to become detached, indistinct, obliterated, illegible, mutilated, inaccessible, or inconspicuous, shall not be used.

**§ 300.7 English language requirement.**

All words, statements and other information required by or under authority of the Act and the rules and regulations thereunder to appear on the stamp, tag, label, or other mark of identification, shall appear in the English language. If the product bears any stamp, tag, label, or mark of identification which contains any of the required information in a language other

than English, all of the required information shall appear both in such other language and in the English language.

**§ 300.8 Use of fiber trademark and generic names.**

(a) Except where another name is required or permitted under the Act or regulations, the respective common generic name of the fiber shall be used when naming fibers in the required information; as for example, "wool," "recycled wool," "cotton," "rayon," "silk," "linen," "acetate," "nylon," "polyester."

(b) The generic names of manufactured fibers as heretofore or hereafter established in § 303.7 of this part (Rule 7) of the regulations promulgated under the Textile Fiber Products Identification Act (72 Stat. 1717; 15 U.S.C. 70) shall be used in setting forth the required fiber content information as to wool products.

(c) A non-deceptive fiber trademark may be used on a label in conjunction with the generic name of the fiber to which it relates. Where such a trademark is placed on a label in conjunction with the required information, the generic name of the fiber must appear in immediate conjunction therewith, and such trademark and generic name must appear in type or lettering of equal size and conspicuousness.

(d) Where a generic name or a fiber trademark is used on any label, whether required or nonrequired, a full and complete fiber content disclosure with percentages shall be made on such label in accordance with the Act and regulations.

(e) If a fiber trademark is not used in the required information, but is used elsewhere on the label as nonrequired information, the generic name of the fiber shall accompany the fiber trademark in legible and conspicuous type or lettering the first time the trademark is used.

(f) No fiber trademark or generic name or word, coined word, symbol or depiction which connotes or implies any fiber trademark or generic name shall be used on any label or elsewhere on the product in such a manner as to be false, deceptive, or misleading as to fiber content, or to indicate directly or
